## ERA ELEKTRONİK SANAYİ VE TİCARET A.Ş.

### ENVIRONMENT POLICY

- To meet and surpass the requirements of the relevant environmental legislation,
- To continuously improve the Environmental Management System and to prevent the environmental pollution.
- To minimize waste, prevent pollution at source and reduce the negative impacts on the environment,
- To protect the environment and to disseminate this principle in scope of our environment,
- To determine the environmental risks in terms of the emergency situations and minimize them.
- To prevent the negative effects that may effect the environment by fulfilling the Occupational Health & Safety Regulations,
- To provide trainings for the employees and the subcontractors in order to develop their awareness on the subject of environmental protection,

ERA Elektronik is committed to establish and manage the ISO 14001 Environmental Management System.

M. Oğuz ÇİTÇİ  
Chairman of the Board
